## Expressions of Interest sought for rehoming of feral horses

Parks Victoria is seeking applications from interested people to participate in the rehoming of feral horses captured in Victorian National Parks as detailed in the *Protection of the Alpine National Park – Feral Horse Strategic Action Plan 2018-2021* and the *Strategic Action Plan: Protection of floodplain marshes in Barmah National Park and Barmah Forest Ramsar site [2020-2023]*.

You will need to meet specific criteria for the rehoming of captured feral horses and be able to demonstrate you have the proper facilities, skills, capacity and training techniques to properly care for these animals, should you choose to accept ownership of them.

Round 4 for the rehoming of feral horses closes on Monday 17 August 2020.
