IN MEMORIAM

They say time is a healer, but as time goes on, it seems just as hard to face the fact that you have gone. They also say there is a reason why things happen. But neither time nor reason, will change the way we feel. For only we know the heartache, that lies behind our smiles. No one knows how many times, we have broken down and cried.

We want to tell you something though, so there won't be any doubt. You're so wonderful to think of, but so hard to be without! We love and miss you every day Rochelle xoxo.

Love Uncle Darren, Aunty Kelly, Chloe, Lachlan & Tameeka.

NUMURKAH LEADER

IN MEMORIAM

Jubber — Rochelle
In loving memory of Rochelle Jubber
29.2.1989 – 17.9.2010

My heart has been left broken since the day you had to go, and the memories I treasure dearly are in the tears that still flow. You're in my thoughts every day and that's how it will always be. For you may be up in heaven now but you'll always be with me. Missing you and love you, Mum XO

Those special memories of you will always bring a smile. If only I could have you back for just a little while. Then we could sit and talk again, just like we used to do. You always meant so very much and always will do, too. The fact you're no longer here will always cause me pain But you're forever in my heart until we meet again.

Love Dad xx

Although I'm sad without you and wish that you were here, Within my heart your lovely smile still shines bright and clear. I treasure all those memories of growing up with you. The secrets we would always share, the childish things we'd do. And as the years passed quickly by we grew closer still, I miss you, dearest sister and you know I always will.

Love Brianna and Shontae xx

Today will always be etched forever in my heart. For this is the 10th year anniversary of the day we had to part. The pain I felt on losing you never really goes away and you are always on my mind no matter what the day. But I know you wouldn't want me to feel sad or get upset, so I'll think of you in good times, those I will never forget. I'll be thankful for the love that I always had from you and I'll hold on to that happiness today and all the years through.

Missing you,
Love little brother Quinton
